"Your Single Source for ALL Your Loading Dock Needs"

The PERMA WARRIOR

Soft-side Dock Shelter with Flex Header

Head curtain can be easily replaced separately without disturbing the entire head member .

The Warrior is a **soft-side** shelter constructed with a unique spring action **flex head** curtain system to move with the extreme up and down motion of today's air ride trailer suspension.

FEATURES AND OPTIONS

SHELTER HEAD FRAME:

Warrior header is self-supporting and Does Not "Rest" on top of the soft-sided shelter. Structural Reinforced Fiberglass (SRF) and galvanized steel construction means years of corrosion-free operation.

HEAD CURTAIN:

Warrior header is self-supporting and replaceable. The head curtain velcros to the support system of the header for fast and easy replacement.

SIDE CURTAINS:

Same fabric as head curtain. Extra wear area on bottom of curtains at critical truck contact areas.

FOAM EDGE:

Fabric covered foam strip on leading edge of side curtains for a snug fit against trailer sides.

GUIDE PATCH:

18oz yellow guide patch that is 12" tall and are placed 9' on center for accurate truck positioning.

BOTTOM DRAFT CUSHIONS:

Foam filled to seal off bottom of shelter. Independent of side curtains for easy and economical replacement. "NO STEP" printed on cushion for safety.

SIDE FRAME:

Foam filled side pads, high density full memory foam with 2" x 6" or 8" wide pressure treated back boards.

DECLINE OR INCLINE:

Tapered dock shelter projections are available to accommodate inclined or declined approaches.

Options Available:

- ◆ Velcro Relief Splits
- ◆ Adjustable Rope Pulls
- ◆ Wear Pleats
- ◆ Armor-Clad Wear Faces
