Perma Tech Inc. Names Tom Kelly as General Manager

Kelly to assist with expanded dock accessory product line

[BUFFALO, NY – Nov. 2020] Perma Tech is proud to announce Tom Kelly as the new General Manager. Tom comes to Perma Tech with over 20 years of experience in the loading dock equipment and material handling. Kelly will be cultivating strategic partners and dealers for Perma Tech new product offerings that include: air curtains, high speed doors and dock levelers & lift tables.

Kelly brings to Perma Tech his expertise of selling and installing with high speed doors, hi-density storage systems and material handling products. He has worked on large scale project for companies such as Dresser Rand, Dunlop, GM, Lockheed, National Grid, and U.S. Airforce. Perma tech welcomes Kelly's diverse background in material handling and extensive training in multiple product lines from fork trucks, dock levelers, to conveyors systems which makes him a knowledgeable resource that will benefit our national dealer network.

Perma Tech, Inc is the leading loading dock manufacturer in Buffalo, NY since 1984. Perma Tech specializes in loading dock seals & shelters, dock levelers and loading dock accessories.
